Personal Profile:

Mikael started his property career in 2014 working in the real estate sector of Dubai for a niche residential practice. Mikael returned to the UK a year later and found his enthusiasm for the commercial sector of the property market working for a local practice. In March of 2018, he joined Flude Property Consultants in their Chichester office.

Mikael's main focus is now on the South Coast industrial and warehouse market and acts on behalf of a wide range of clients from local individuals to multi-national companies. In addition to this, through Mikael's network of South Coast and London contacts, he takes a keen interest in the acquisition and disposal of investment and development property. Mikael prides himself on continuing to develop his network of professional contacts.

In 2020, Mikael won EG's Individual "Dealmaker" of the year award for securing the most number of deals of any commercial agent in Sussex.
