Flude Property Consultants are an independent, regional firm of Chartered Surveyors regulated by the Royal Institution of Chartered Surveyors (RICS). Flude specialise in advising clients who own or occupy real estate.

Our main areas of expertise include property agency, lease advisory (rent reviews, lease renewals and lease re-gearing), property management, real estate asset valuation and general investment and development consultancy.

With over 25 years in business operating in the South Coast property market, Flude has now grown to be one of the largest surveying practices in the South East and on the South Coast with offices in Brighton, Chichester and Portsmouth.
