

The floor plan depicts a large institutional building with a central courtyard. The layout is symmetrical around a central corridor. On the left side, there is a Dining Room, Kitchen, Staff Dining, Laundry, Store, Boilers, and a large Atrium. The right side features a Chapel, Sacristy, Living Room, Bedroom, Both Room, Sundry, Siting Room, and a large Hallway. A central Courtyard is visible between the two main sections. The plan also shows numerous numbered rooms (1-24) and various service areas like restrooms and storage.

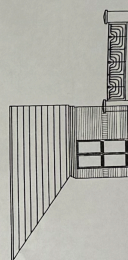

A black and white line drawing of a two-story building. The building has a gabled roof with a small circular vent in the center. The front facade features a central entrance with a small porch supported by two columns. There are several windows: two large multi-paned windows on the ground floor flanking the entrance, and two smaller windows on the second floor. The drawing is done in a simple, sketchy style with horizontal lines for shading.
