

CHICHESTER DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE
ORDER) 2015 (as amended)

Agent Details:

Mr Nicholas Lack
Studio Lack Ltd
17 Beech Avenue
Chichester PO193DR
United Kingdom

Applicant Details :

SP Ltd.
Seaward Properties Ltd
Metro House
Northgate Chichester
PO191BE United Kingdom

In pursuance of their powers under the above mentioned Act and Orders, the Council hereby notifies you that they **PERMIT** the following development, that is to say:

Erection of 2 No two bed flats.

Land To The West Of Neville Duke Way Tangmere West Sussex

to be carried out in accordance with your application TG/18/02658/FUL submitted to the Council on 11 October 2018 and as modified by any relevant under mentioned conditions and subject to compliance with all conditions specified hereunder:

Time limits and implementations conditions:

1) The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

2) The development hereby permitted shall not be carried out other than in accordance with the approved plans: 01, 02E, 03F, 04F, 05D, 06B, 1744-07, 1744-08

Reason: To ensure the development complies with the planning permission.

Conditions requiring Local Planning Authority written approval or to be complied with prior to commencement of development:

3) **No development shall commence** until a scheme to deal with contamination of land and/or controlled waters has been submitted to and approved in writing by the Local Planning Authority (LPA). Unless the local planning authority dispenses with any such requirement specifically in writing the scheme shall include the following, a Phase 1 report carried out by a competent person to include a desk study, site walkover, production of a site conceptual model and human health and environmental risk assessment, undertaken in accordance with national guidance as set out in DEFRA and the Environment Agency's Model Procedures for the Management of Land Contamination CLR11.

Reason: In the interests of amenity and to protect the health of future occupiers of the site from any possible effects of land contamination in accordance with local and national planning policy.

4) If the Phase 1 report submitted pursuant to condition 3 above identifies potential contaminant linkages that require further investigation then **no development shall commence** until a Phase 2 intrusive investigation report has been submitted to and approved in writing by the LPA detailing all investigative works and sampling on site, together with the results of the analysis, undertaken in accordance with BS 10175:2011+A1:2013 - Investigation of Potentially Contaminated Sites - Code of Practice. The findings shall include a risk assessment for any identified contaminants in line with relevant guidance.

Reason: In the interests of amenity and to protect the health of future occupiers of the site from any possible effects of land contamination in accordance with local and national planning policy.

5) If the Phase 2 report submitted pursuant to condition 4 above identifies that site remediation is required then **no development shall commence** until a Remediation Scheme has been submitted to and approved in writing to the Local Planning Authority detailing how the remediation will be undertaken, what methods will be used and what is to be achieved. Any ongoing monitoring shall also be specified. A competent person shall be nominated by the developer to oversee the implementation of the Remediation Scheme. The report shall be undertaken in accordance with national guidance as set out in DEFRA and the Environment Agency's Model Procedures for the Management of Land Contamination CLR11. Thereafter the approved remediation scheme shall be fully implemented in accordance with the approved details.

Reason: In the interests of amenity and to protect the health of future occupiers of the site from any possible effects of contaminated land in accordance with local and national planning policy.

6) **No development shall commence**, including any works of demolition, until a Construction and Environmental Management Plan (CEMP) has been submitted to and approved in writing by the Local Planning Authority. Thereafter the approved CEMP shall be implemented and adhered to throughout the entire construction period unless any alternative is agreed in writing by the Local Planning Authority. The CEMP shall provide details of the following:

- (a) the anticipated number, frequency and types of vehicles used during construction,
- (b) the provision made for the parking of vehicles by contractors, site operatives and visitors,
- (c) the loading and unloading of plant, materials and waste,
- (d) the storage of plant and materials used in construction of the development,
- (e) the erection and maintenance of security hoarding,
- (f) the provision of road sweepers and/or wheel washing facilities to mitigate the impact of construction upon the public highway
- (g) measures to control the emission of dust and dirt during construction, to include where relevant sheeting of loads, covering and dampening down stockpiles
- (h) measures to control the emission of noise during construction,
- (i) details of all proposed external lighting to be used during construction and measures used to limit the disturbance of any lighting required. Lighting shall be used only for security and safety,
- (j) appropriate storage of fuel and chemicals, in bunded tanks or suitably paved areas, and
- (k) waste management including prohibiting burning.

Reason: These details are necessary pre-commencement to ensure the development proceeds in the interests of highway safety and in the interests of protecting nearby residents from nuisance during all stages of development and to ensure the use of the site does not have a harmful environmental effect.

7) **No development shall commence** until a strategy outlining details of the sustainable design and construction for all new buildings, including water use, building for life standards, sustainable building techniques and technology, energy consumption maximising renewable resources, and how a reduction in the impacts associated with traffic or pollution will be achieved including but not limited to charging electric vehicles, has been submitted to and approved in writing by the Local Planning Authority. This strategy shall reflect the objectives in Policy 40 of the Chichester Local Plan: Key Policies 2014-2029. The approved strategy shall be implemented as approved prior to first occupation unless any variation is agreed in writing by the Local Planning Authority.

Reason: To minimise the impact of the development upon climate change. These details need to be agreed prior to the construction of the development and thus go to the heart of the planning permission.

Conditions requiring Local Planning Authority written approval or to be complied with by developer before occupation:

8) No part of the development shall be first occupied until the car parking has been constructed in accordance with the approved site plan. These spaces shall thereafter be retained at all times for their designated purpose.

Reason: To provide car-parking space for the use

9) No part of the development shall be first occupied until covered and secure cycle parking spaces have been provided in accordance with the approved plan.

Reason: To provide alternative travel options to the use of the car in accordance with current sustainable transport policies.

10) All hard and soft landscape works shall be carried out in accordance with the approved details and in accordance with the recommendations of the appropriate British Standards or other recognised codes of good practice. **These works shall be carried out in the first planting season after practical completion or first occupation of the development**, whichever is earlier, unless otherwise first agreed in writing by the Local Planning Authority. Any trees or plants which, within a period of 5 years after planting, are removed, die or become seriously damaged or defective, shall be replaced as soon as is reasonably practicable with others of species, size and number as originally approved unless otherwise first agreed in writing by the Local Planning Authority.

Reason: To ensure the provision and establishment of a reasonable standard of landscape in accordance with the approved designs.

Conditions to be complied with at all times during construction:

11) The development hereby permitted shall not be constructed other than in accordance with the materials specified within the application form and plans, unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure that a harmonious visual relationship is achieved between the new and the existing developments.

12) The construction of the development and associated works shall not take place on Sundays or Public Holidays or any time otherwise than between the hours of 0700 hours and 1800 hours Mondays to Fridays and 0800 hours and 1300 hours on Saturdays.

Reason: In the interests of residential amenity.

Informative(s)

1) The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

2) The applicant is advised to contact the proprietor of Neville Duke Way to obtain formal approval to carry out the site access works on the private road.

CIL Informative

This development is considered chargeable development for the purposes of the Community Infrastructure Regulations 2010 (as amended).

Failure to adhere to the Regulations and commencing work without notifying the Council could forfeit any rights you have to exemptions, payment by instalments and you may also incur fines/surcharges.

Further details can be found on the Council's website:

<http://www.chichester.gov.uk/article/27023/CIL-administration-and-collection>

Please Note: The headings to the Conditions are inserted for ease of reference only and shall not affect the interpretation of the Condition(s).

The applicant is reminded that the Council operate a formal procedure for the discharge of conditions. Details of this procedure can be found on the Council's website (<http://www.chichester.gov.uk/planningadvice#planningapplications>) or by telephone (01243 534734).

The plans the subject of this decision can be viewed on the Council's website www.chichester.gov.uk quoting the reference number of the application. For all applications after May 2003, the relevant plans are listed as "Plans-Decided".

Decision Date : 6 December 2018

Signed:

Andrew Frost
Director of Planning and the Environment
Chichester District Council

NOTES

Town and Country Planning Act 1990 Town and Country Planning (Control of Advertisements) Regulations 1992 Town and Country Planning (Trees) Regulations 1999

Your attention is directed to the following notes. They are for information only and do not pretend to set out the whole of the law on the subject. It would be well for you to consult your solicitor if you are in any doubt.

1. If the applicant is aggrieved by the decision of the District Planning Authority to refuse permission for the development, or is aggrieved by a condition imposed on a planning permission, he may appeal to the Secretary of State in accordance with Section 78 of the Town and Country Planning Act 1990 within six months* from the date of notice or determination giving rise to the appeal. (All appeals must be made on a form which is obtainable from The Planning Inspectorate, Room 3/04A Kite Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN. <https://www.gov.uk/planning-inspectorate>. Advertisements and ELD/PLD appeal forms are available from County House, Portland Square, Bristol; Tree Preservation Order appeals forms are available from Government Office from The Planning Inspectorate, The Environment Appeals Team, Trees and Hedges, Room 3/25 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Email – environment.appeals@pins.gsi.gov.uk Telephone – 0303 444 5584. One copy of the appeal form must be submitted to the Director of Planning and the Environment, Chichester District Council, East Pallant House, Chichester, West Sussex PO19 1TY).

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the District Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order.

- * APPLICANTS SHOULD NOTE THAT THE PERIOD FOR MAKING AN APPEAL IN RESPECT OF HOUSEHOLDER APPLICATIONS (SUFFIX /DOM) IS 12 WEEKS FROM THE DATE OF THIS NOTICE; FOR ADVERTISEMENT APPLICATIONS (SUFFIX /ADV) IT IS 8 WEEKS; AND FOR TREE APPLICATIONS (SUFFIX /TPA) IT IS 28 DAYS.**

2. If permission to develop land is refused or granted subject to conditions, whether by the District Planning Authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part V of the Town and Country Planning Act 1990.
3. In certain circumstances a claim may be made against the District Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in the Town and Country Planning Act 1990.
4. By Section 195 of the Town and Country Planning Act 1990 where an application is made to a District Planning Authority for a Certificate of Lawful Use or Development and is refused in part, the applicant may by notice under this sub-section appeal to the Secretary of State and on any such appeal the Secretary of State shall:

- (a) if and so far as he is satisfied that the Authority's refusal is not well-founded, grant to the appellant a Certificate of Lawful Use or Development accordingly or, as the case may be, modify the certificate granted by the Authority on the application, and:
 - (b) if and so far as he is satisfied that the Authority's refusal is well-founded, dismiss the appeal.
5. Applicants are advised to consult Regulation (15) of the Advertisements Regulations 1992 regarding appeals in respect of advertisements.
6. Where this notice conveys approval or permission, conditional or unconditional please note that the decision given does not purport to convey any consent or approval which may be required under the Public Health Acts and Building Regulations. Additionally applicants are advised to check the need for notice to be given under the Party Wall etc. Act 1996.
7. Where this notice conveys approval or permission subject to conditions, applicants are reminded that the onus is on them to ensure the conditions have been complied with. Under some circumstances a failure to comply with a condition may result in the whole development being unauthorised.
