Description & Accommodation

The subject premises will be arranged over the ground floor parts of this newly constructed 8 storey mixed residential & commercial building.

The ground floor level envelope will be constructed in a charcoal grey engineering brick in order to distinguish the premises from the remainder of the building.

The unit will benefit from its own self-contained entrance with secure lobby, providing access to WC's, and with the main office area located beyond. Expansive south facing glazing will ensure optimal day light levels within the space.

The unit will be offered complete with it's own dedicated cycle parking and outside seating area. The space will be offered in either shell & core condition, or alternatively there is potential for it to be fitted out to a modern specification including A/C, raised floors, carpeting, kitchenette etc and subject to terms.

The property has the following approximate NIA:

Unit	Sq Ft	Sq M
Rear	1,948 sq ft	181 sq m
