Location & Situation

Chichester is a Cathedral city, and the county town of West Sussex. It lies approximately 21 miles east of Portsmouth, 30 miles west of Brighton and 65 miles south of London.

The property has an excellent city centre location within walking distance of railway links. The road is a one-way street with a number of car parks nearby. Chichester city centre has close access to the A27, a major South Coast arterial route which links Brighton, Worthing, Portsmouth and Southampton. The A27 connects to the A3 which in turn provides access to the M25 and London.

Description & Accommodation

The subject property comprises a Grade II three storey terraced property with basement. The walls are rendered brick elevations and a mix of single and double glazed windows under a pitched tiled roof. The building is being used as office accommodation. The Pallant area of Chichester is formed in the majority by historic buildings originally built and occupied as houses. Over time a significant amount have been converted to office use.

Internally, the main accommodation is laid out over three floors with eleven rooms, each being utilised as office space. The building also benefits from a shared kitchen area, WC facilities and a basement used for storage.

Externally, there is a small courtyard enclosure to the rear of the property.
