Location & Situation

The subject property is situated in Bosham, on the western side of Delling Lane, close to its junction with the A259 Main Road. This is a busy location in terms of passing vehicular traffic and located within a few miles of the attractive cathedral city of Chichester, the county town of West Sussex to the east, and the attractive harbour town of Emsworth, Hampshire to the west.

PLANNING

We understand that the site is located within the defined Settlement Boundary. The site is also within the Chichester Harbour Area of Outstanding Natural Beauty (AONB) and a Site of Special Scientific Interest (SSSI) Impact Risk Zone. The site is within an Archaeological Priority Area.

The site was originally a car repair garage which was gradually extended, before becoming a car dealership, then a furniture shop, and most recently an outdoor leisure retailer albeit that was a number of years ago. Part of the forecourt has reverted to car sales, with a car sales office located in the eastern part of the main building.

Interested parties should make their own planning enquiries and satisfy themselves in this regard.

Description

The subject property, together with the land and buildings held under HM Land Registry Number WSX389112 forms part of a larger detached building (with yard) of traditional steel-framed construction. The subject property comprises the northern (front) part of the building, and is arranged as a former retail unit to the western part of the estate, with an office and Car Sales Kiosk (Car Sales Element) on the eastern side.

Outside, directly to the north of the building is a concrete-covered forecourt, which provides off-road car parking, and display spaces for the Car Sales Element.

The subject property (WSX389112) is 22,651 sq ft (0.53 acres).

Under separate title the northern forecourt area under title WSX434983 being a further 8,121 sq ft (0.19 acres) is fenced and has been used by the occupiers of the property for over 20 years.

Both parcels have a combined area of 30,772 sq ft (0.71 acres).
